

Dear Friend,

Catholic Radio is an important way to evangelize our community and is being used all across America for this purpose. Here's what people said in response to a recent national survey conducted by the Catholic Radio Association about Catholic Radio:

- "It deepened my love for Christ and the Church. It gives me a more solid footing on why I believe what I believe."
- "The main force in my conversion was listening to the *Catholic Answers* show"
- "I feel more Catholic. I practice my faith with more conviction. I can now say that I love my Catholic faith."
- "It opened my eyes to the beauty of the Catholic faith."
- "It is bringing me closer to Christ."
- "It deepened my faith. I learned more about my faith. It makes me proud to be Catholic!"
- **"Catholic radio helped me save my soul."**

These testimonials are very powerful! There is no denying Catholic radio, along with the Holy Spirit, can, and will, save souls! As a fellow Catholic, is there anything more important?

This letter is an invitation to help us in this effort! As a supporter of **Saint Rose Radio**, we need your help in these ways:

- Pray for this station and all those who will listen to open their minds and hearts to the Truth of the Catholic Church; and
- Your financial support to start Catholic Radio in Murfreesboro. *You have the opportunity to be part of the foundation of this station and get years of benefits!*
